# Results through design; not weight

The Tru-Turf RS48-11C Greens Roller incorporates a unique patented triple off set roller system designed to smooth the turf by design and not by weight. Used at some of the major courses in the UK including St Andrews Links and exclusively on the US PGA Tour. Tru-Turf Rollers can rightly state their position as the leader in greens rolling technology with a history dating back to the 1940's.

## Top 5 Tru-Turf Advantages

1. Increased Green Speed.
2. Improved Surface Smoothness.
3. Improved Consistency Between Greens.
4. Enhanced Surface Uniformity after Coring.
5. Increased Mow Height While Maintaining Green Speed.

Contact us today for more information and details of your nearest dealer.
